

BIG BLUE SKY (the Rhyming Song)

by Sara O'Brien & the HoneyBirds

I have a good friend MATT
He sat on my CAT
So I called for help from the BAT
Who said, "get off that CAT!"
Who said, "get off that CAT!"

When I cry I say BOO HOO
When I sneeze I say ACHOO
The cow is in the house and he says MOO
Now what should I DO?
Now what should she DO?

CHORUS

**We're rhyming all the TIME
We're feeling so FINE
We're the HoneyBirds and we FLY
In the big blue SKY**

I might not be so COOL
but I'm surely not a FOOL
I'm not popular at SCHOOL
But I shine like a JEWEL
She shines like a JEWEL

My mom was shopping at the MART
I was sitting in the CART
I felt something in my belly START
It was the beat of my HEART
It was the beat of her heart

CHORUS

I picked a yellow FLOWER
Then I got caught in a rain SHOWER
I went to France to see the Eiffl TOWER
I feel like I have so much POWER
She feels like she has so much power

I went outside to RUN
I had so much FUN
Shining bright as the SUN
Let's eat a cinnamon BUN
Let's eat a cinnamon BUN

CHORUS
