

# LIVE OUR DREAMS

C F C G  
I have a dream that someday I will be a singer or a soccer player.

C F C G  
Perhaps I'll write a book, be a chef or a cook and all the leftover food I will share.

C F C G  
I have a dream that someday I will be grown up to be myself

C F C G  
Have fun with my friends until the day ends then put our memories up on the shelf.

**Don't give up, let's work together to live our dreams**

I have a dream that someday I will be an artist or a writer  
Live in a barn, have flowers in my backyard  
And make my own apple cider

I have a dream that someday I will be rich and donate my money  
Have a maid to clean my dishes and make meals delicious  
And kiss my sweet happy honey

**Dream that one day your own dreams are gonna happen**

**Be someone you want to be**

**Don't be a follower, be a leader.**

**Don't give up, let's work together to live our dreams**
