

PLAID PANTS

Sara O'Brien, the HoneyBears & HoneyBabes

I was walking down the street on the way to school
I saw Taylor Swift and I felt so cool
I saw Lady Gaga and she made me smile
We began to dance and we went wild

In our

Plaid pants, plaid pants, makes me want to dance

Plaid pants, plaid pants, makes me want to dance

Plaid pants, plaid pants, makes me want to dance

In my, plaid pants

I pushed a button on the radio
I heard the music play both fast and slow
I jumped up and down and touched my toes
And then I ate a big ice cream cone

In these

Plaid pants, plaid pants, makes me want to dance

Plaid pants, plaid pants, makes me want to dance

Plaid pants, plaid pants, makes me want to dance

In my plaid pants

Plaid pants, plaid pants, makes me want to dance
Plaid pants, plaid pants, makes me want to dance
Plaid pants, plaid pants, makes me want to dance
In my plaid pants, in my plaid pants
In my plaid pants!
