

REDUCE, REUSE, RECYCLE!

Written by Studio LuLoo Summer Camp kids (2008), the HoneyBabes, the HoneyBears & The Central School TreeHuggin' Crew, 2009/2010

Don't throw trash in the water
Use old stuff again
Before you recycle your paper turn it over and
Use it for scrap and doodlin'

Grow veggies in the garden
Be nice to the ants
Use leftover water from your water bottle
And feed it to your pets and to your plants

Ba da da da da, Reduce!
Ba da da da da, Reuse!
Ba da da da da, Recycle!
Ba da da da da da da da
(REPEAT)

Let's take shorter showers
Use rainwater for your flowers
Please walk don't drive, the earth needs to survive
Let's work together to make the world better

Instrumental: kazoos & nose kazoos

Ba da da da da, Reduce!
Ba da da da da, Reuse!
Ba da da da da, Recycle!
Ba da da da da da da da

Ba da da da da, Reduce!
Ba da da da da, Reuse!
Ba da da da da, Recycle!
The earth depends on you
